Founded 2011

**Supporting
Educational Enrichment
in Avon-by-the-Sea**

About the Foundation

The Avon-by-the-Sea Education Foundation was founded in 2011 to advance educational opportunities in our community.

- The Foundation's mission is to support educational enrichment for Borough residents, both children and adults.
- The Foundation's status as a private non-profit 501(c)(3) charitable organization allows it to secure tax-deductible grants from corporations, foundations, and individuals.
- In a time of limited municipal and school budgets, the Foundation has received private donations and grants to support enrichment opportunities in science, technology, music, and adult education.
- Your support of the Foundation helps bridge the gap between the educational needs of our community and currently available resources.

Mission Statement

- The Foundation believes that quality educational programs for children and adults can make a significant difference in the life of our community.
- The Foundation seeks to promote educational outreach through the acquisition of grants and private contributions specifically targeted toward fundamental educational programming.
- The Foundation serves not only the Avon School District but all Borough residents.
- Teachers, administrators, and students in the borough are encouraged to participate in mini-grant and student scholarship opportunities.

Outreach & Accomplishments

- On-going grant applications
- Town-wide annual appeal and Fundraiser
- New sound system in the Municipal Building, 2014
- Adult Education, 2014 (book read, history presentation, bus trip)
