Dear Friends:

On behalf of the State of New Jersey, I am pleased to congratulate Avon Elementary School on being honored with the SupportMusic Merit Award by the National Association of Music Merchants Foundation.

For sixteen years, the NAMM Foundation has honored schools and communities who support the advancement of music education across the country. These programs help enrich the lives of today's youth, and you can take pride in this recognition of your hard work and dedication to the success of your music programs. I commend all those involved in this program for their commitment to the arts.

Best wishes for success in all your future endeavors.

Sincerely,
